AAMIR HUSSAIN

WORDPRESS DEVELOPER | Front-End & MERN Foundation

Lahore, Punjab, Pakistan | +92 315 7634042 | aamirhussainkot708@gmail.com

LinkedIn | **Portfolio** | **GitHub**

PROFESSIONAL PROFILE

WordPress Developer with 1+ year of professional experience designing and developing responsive, client-focused websites. Hands-on experience in custom theme development, Elementor-based website design, HTML/CSS customization, and CMS website delivery. Strong foundation in JavaScript and React.js, supported by a 6-month MERN Stack diploma covering MongoDB, Express.js, React.js, and Node.js. Seeking a WordPress Developer role where I can contribute to reliable, user-friendly business websites while continuing to grow in WordPress development.

CORE SKILLS

WordPress Development • **Elementor** • **Custom Theme Development** • **Responsive Web Design** • HTML5 & CSS3 • JavaScript (ES6+) • Shopify • React.js • Bootstrap / Tailwind CSS • REST API Integration • Git & GitHub

PROFESSIONAL EXPERIENCE

WordPress Developer / Website Developer | **Devxore** - Lahore, Pakistan **Jul 2025 - Present**

- Design and develop responsive WordPress websites tailored to client and business requirements.
- Build and customize pages with Elementor, creating consistent layouts that work across desktop, tablet, and mobile.
- Contribute to custom theme development and implement front-end changes with HTML, CSS, and JavaScript when required.
- Handle website revisions and ongoing improvements with a focus on usability, clean presentation, and client requirements.
- Work with client-provided content and requirements to deliver organized, business-ready website pages and sections.

Web Development Intern | **IDEO College, Arfa Kareem Tower** - Lahore, Pakistan **Jul 2024 - Feb 2025**

- Developed static and responsive websites using HTML, CSS, and JavaScript.
- Created interactive UI elements using vanilla JavaScript and React components.
- Integrated third-party REST APIs using Fetch and Axios.
- Used Flexbox, CSS Grid, Bootstrap, and Tailwind CSS to build responsive cross-device layouts.

TRAINING & TECHNICAL FOUNDATION

MERN Stack Development - 6-Month Diploma | Supporting full-stack foundation

MongoDB • Express.js • React.js • Node.js • REST APIs • Front-end/back-end application concepts
